WHAT IS JUMPSTARTER

JUMPSTARTER is a mission-driven initiative curated by Alibaba Entrepreneurs Fund that provides a platform for all young entrepreneurs from across the global to jumpstart their dreams. It is also a first-of-its-kind tech and startup event in Hong Kong focused exclusively on showcasing quality startups and providing high-impact networking opportunities.

Now in its 8th edition, JUMPSTARTER continues to be the global pitch competition. With an all-new purpose-driven approach, we have transformed the Grand Finale into an annual tribute to innovation, technology, and entrepreneurship in Hong Kong. This event brings together entrepreneurs, corporates, investors, and the public from around the world.
